WEST KENT DEBT ADVICE

Who are we?

WKDA is supported by a partnership of Christian churches across West Kent in order to serve the whole community regardless of race, belief or gender.

We are a member of AdviceUK, the UK's largest network of advice-providing organisations.

We hold a licence from the Financial Conduct Authority for the provision of debt advice.

WKDA is a registered charity and is an independent non-profit making organisation.

What do we do?

WKDA has a team of experienced staff and volunteer advisers who are trained to help people in debt through a process of investigating their money issues and working with them to develop solutions that will seek to return them to a sound financial footing.

We are here to help anyone who has debt problems and we deal with all types of issues from ***credit card debt, council tax arrears, utility bills*** through to ***threatened eviction or county court action.***

We start the process by conducting a ***full income and expenditure assessment*** so that we can fully understand your individual circumstances. Using a ***financial statement*** which summarises your financial situation and debts we will then discuss with you what your options are.

With your commitment we will:

- ⇒ Endeavour to establish a fair and affordable solution with your creditors
- ⇒ Negotiate on your behalf if appropriate
- ⇒ Advise you on the most appropriate strategy for your situation, including bankruptcy or debt relief orders if necessary.

Whatever we decide together, we will help you through the entire process.

Our service is completely FREE, impartial and strictly confidential.
